# ENGINEERED ADRENALINE

STAGE 2 INTAKE FOR YOUR BMW 335i

• Dual 360° high flow air filters increase air flow by 98% over the factory intake.

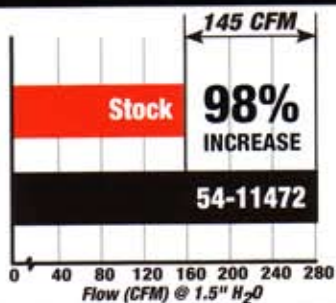

• Tuned intake tube engineered for maximum air velocity and performance.

• Built in H-Tube equalizes pressure between both intake tubes for maximum flow.

Starting at  
**\$396**

1-piece, powder coated steel housing for strength and durability.
